**Make an appointment now with your counselor** to find out about signing up for the **Veterinary Science Class** for next year. Learn how things work. Did you know that a Blue Whale has a heart the size of small car? Your heart beats about 70 times a minute but a mouse beats 500 times a minute. County Fair projects, field trips, and internships in the pet care industry are part of our course of study. This class is eligible for science credit if you are concurrently taking another science class. Try a different class, sign up today.

**Do you like to garden?** Do you want to learn about growing your own food? Join us in the garden every Monday afternoon at 3 pm for the TFI gardening internship!! We are an after school internship program that meets every Monday from 3 to 5. We grow tasty fruits and vegetables, and sell them at the farmer's market. You can earn school credit, get community hours, and even have an opportunity to get a great summer job. Join us this Monday afternoon in the garden, behind the Ag Building. For more information, call Amy at 238-0815.

**Planning On Taking a Class at Cabrillo College This Summer?** Applications will be accepted starting April 19<sup>th</sup> for summer classes. (Have your high school release form ready).

**English Accelerated and AP students:** if you plan to take these classes next year, you must get your contracts back to either **Ms. Finney** or **Ms. Tessier** or **Ms. Quiroz** ASAP! If you haven't yet received the summer assignment you must see Ms. Tessier in room 9 for Lit & Ms. Finney in room 61 for Language or Ms. Quiroz in room 54 immediately. The contracts are due by June 4th, get them signed & turned in today!

## CLUBS

**The Germans are coming!** Do you like to make friends? Are you interested in other cultures? If the answer is yes then go to room 9 today to choose your German! The students will be traveling to WHS this fall, make your new friend today & get them pumped up to come to Cali! See Bunny or Bambi in room 9 anytime for more info!

## STAFF

**Retiring teachers:** We will miss you, but we also wish you a wonderful retirement. You will be able to enjoy all those things you've been waiting to have time for. Come by and visit and remember – you will always be a part of the Watsonville High School family. Good luck to all of you!
